# Carlton Oaks School 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year) 

General Information about the School Accountability Report Card (SARC)

## California School Dashboard

## Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest// that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Carlton Oaks School Mission Statement
Carlton Oaks staff strives to motivate all students to succeed socially and academically.
Our vision, as a community, is to inspire a passion for learning which develops creative thinkers.
Carlton Oaks School is a high-achieving school located in the west corner of Santee, slightly south of Mast Boulevard and within a short walk to West Hills High School. The word "family" sums up the composition and the feel on campus, with multiple generations of families having attended our school.

The TK-8 setting is a rarity in public education. When students spend their formative years, from 4 to 14 years old, amongst the guidance of highly qualified teachers and support staff, they build strong foundational academic skills and life-long relationships. Parents, staff and children are invested in creating exceptional learning instructional and social emotional experiences for our students. At Carlton Oaks, our credentialed teachers are happily engaged in before-and-after school duties, where they eagerly greet their students and work hand-in-hand with the Safety Patrol at morning arrival and afternoon dismissal times.

Walking into the Carlton Oaks office, you find a clean, organized, efficient, safe and welcoming space. Teachers provide a daily before school running club experience, along with after-school enrichment activities. Classroom and special education staff alike are professional, accessible and enthusiastic. Our paraeducator support team is also second-to-none. The custodial crew take pride in their work, keeping the learning environment conducive to optimal teaching and learning.

We invite you to explore our teacher, school and district websites and come to know the Carlton Oaks family.
"Where Young Minds Meet Open Doors"
SANTEE SCHOOL DISTRICT VISION, MISSION, BELIEF STATEMENTS, AND GOALS

## MISSION STATEMENT

Providing an extraordinary education in an inspiring environment with caring people.

## 2023-24 School Description and Mission Statement

## VISION STATEMENT <br> Unlocking the potential of tomorrow by building confident, innovative learners today.

## BELIEF STATEMENTS

Children are our first priority. Therefore we believe....
All students can learn.
Student growth, academic performance, and positive personal development are the highest measures of student and district success.
Trust, integrity, respect, citizenship, honesty, responsibility, commitment, and pride are the foundations on which our district is built.
Students should understand and respect the origin of the nation, the law of the land, and the principles of our democracy.
Parent and community involvement in our schools is crucial to the academic success of our students.
Knowledgeable, motivated, and inspired employees assure the success of our students.
Everyone has the right to learn and work in a safe, healthy, orderly, and clean environment.
The district operates efficiently and effectively through focused leadership, fiscal responsibility, and open communication, with a strong academic program as the top priority.

## BOARD GOALS

Educational Achievement
Assure the highest level of educational achievement for all students.

## Learning Environment

Provide a safe, engaging environment that promotes creativity, innovation, and personalized learning
Fiscal Accountability
Financially support the vision, mission, and goals of the District by maximizing resources, controlling expenses, and managing assets to ensure fiscal solvency and flexibility.

Staff Development
Implement a staff development plan as the cornerstone of employee performance and growth.
Student Well-Being
Provide social, emotional, and health service programs, integrated with community resources, to foster student character and personal well-being.

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School <br> Percent | District Number | District Percent | State Number | State Percent |

| Total Teaching Positions | 42.80 | 100.00 | 321.80 | 100.00 | 279044.80 | 100.00 |

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. Classrooms and other school facilities were modernized in 2011.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School <br> 2021-22 | School <br> $2022-23$ | District <br> 2021-22 | District <br> 2022-23 | State <br> 2021-22 | State <br> 2022-23 |

| Mathematics <br> (grades 3-8 and 11) | 50 | 51 | 46 | 47 | 33 | 34 |

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus
the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.
Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

Carlton Oaks families make our school special. Staff, students, parents, and community work as one to support student success in school and in life. This collaboration ensures our students are provided opportunities to become successful, literate, contributing members of a global society.

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through monthly principal chats, school newsletters, fliers, the school and classroom websites, Facebook, the school marquee, student handbook, and School Messenger phone and email system. Contact the school secretary for more information on how to become involved in your child's learning environment.

Examples of volunteer activities include:

- office help
- classroom volunteer
- art docent
- room parent
- PTA programs
- Everyone a Reader

Example of committees needing volunteers:

- School Site Council (SSC)
- English Learner Advisory (ELAC)
- District Advisory Committee (DAC)
- Parent Teacher Association (PTA)

Examples of school activities for parent and community involvement:

- Back to School Nights
- Open House
- Family Nights sponsored by PTA
- Parent education evenings
- Student performances

## 2023-24 School Safety Plan

The Comprehensive School Site Safety Plan was developed for Carlton Oaks School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan, including staff responsibilities in the event of a disaster, were reviewed by the entire staff and updated during the months of August, September, October, and November 2023. The Carlton Oaks School Site Council reviewed and approved our current site safety plan in December 2023. The school's Safety Committee is committed to continuously refining and updating daily and emergency safety protocols.

## Fiscal Year 2022-23 Types of Services Funded

Santee School District receives State and Federal funding. State funding, through the Local Control Funding Formula (LCFF), is allocated to a variety of funding sources based on the eight State priorities, District priorities, and annual stakeholder feedback. The eight State priorities are:

1. Basic Services
2. Implementation of Common Core Standards
3. Parent Involvement
4. Student Achievement
5. Student Engagement
6. School Climate
7. Course Access
8. Other Student Outcomes

Federal funding, Title I, Title II, and Title III, provides additional funding for intensive interventions, increased parental involvement, quality professional development for teachers and principals, and increased instructional support for English Learner students.

All funding sources are monitored and maintained through each school site's School Plan for Student Achievement and the District Local Control Accountability Plan.

## Professional Development

All training and curriculum development activities at Carlton Oaks School support the implementation of Common Core Content Standards and State curricular frameworks. Teachers annually receive between 1-3 days of release time for professional development at the site and/or district level. All staff members are encouraged to attend professional workshops and conferences including GLADD, CGI, Restorative Practices, Open Sci-Ed, and CPI. Approximately 70\% of our Staff Development is done on a partial day and approximately $30 \%$ is a full day of Staff Development. Decisions concerning the selection of staff development activities are performed by the principal, district administrators, and grade level representatives using tools such as teacher input, district benchmark results, data analysis, and focus groups to determine the areas in which additional teacher training will most enhance classroom instruction and increase student achievement levels. Carlton Oaks School offers support to new and veteran teachers through peer coaching and mentoring. Classified support staff members receive job-related training from department supervisors and district representatives.

This table displays the number of school days dedicated to staff development and continuous improvement.
